PRESS RELEASE: Airport Firefighters Announce Support of 2019 Monroe County Legislature Candidates

Rochester, NY, October 25, 2019 - The Rochester Airport Firefighters Association, IAFF Local 1636 announced its support of several candidates for Monroe County Legislator today. With less than three weeks remaining before Election Day, the Association reaffirms its commitment to improving the County of Monroe for its members and their families. When evaluating candidates, issues directly impacting Airport Firefighters are the primary focus for the Association.

“As we’ve previously stated, current and past administrations have not prioritized the concerns of Monroe County residents,” Local 1636 President Paul Miller stated. “Those residents include county workers who provide essential services to their neighbors but have been subjected to disrespect at every turn. From elected representatives that favor party politics over employee concerns, to political appointees that devalue the important work they do, these men and women deserve positive change.”

The Rochester Airport Firefighters Association believes the following individuals represent the best opportunity for that change and are proud to support their candidacy for the Monroe County Legislature;

- *Karen LoBracco - District 2*
- *Dan Maloney - District 6*
- *Howard Maffucci - District 10*
- *Joseph Morelle, Jr. - District 17*
- *Joshua Bauroth - District 24*
- *Ernest Flagler-Mitchell - District 29*
- *Terry Daniele - District 5*
- *James Leary - District 7*
- *Justin Wilcox - District 14*
- *JW Cook - District 20*
- *Yversha Roman - District 26*
